Forecast for Monday 03 Oct 2022

Weather: Dry with clear spells overnight and early morning, perhaps some mist and fog patches forming in the valleys. Any mist and fog soon clearing to leave a dry and mostly bright day, any sunshine hazy. Strengthening winds and lowering cloud later in the evening.

Chance of cloud-free hill tops above 600m: 90%.

Low cloud and visibility: Cloud mainly above the summits, but becoming occasional base 600 to 900m, in the evening. Visibility mainly good or very good, but poor or very poor in any early mist and fog and at times over the summits later in the evening.
